Subject: Appreciation letter for the donation of VIII and IX blood factors.
I would like to deeply appreciate your cooperation and support provided in response to the urgent need of VIII and IX blood factors which are requested for Hemophilic patients in Afghanistan.

I am mindful of your long lasting commitment, assistance and great generosity. Thanks to the support of the Italian Regions (Emilia-Romagna, Marche and EMO Foundation), a collaborative project aimed to improve our capacity of care for which could be started soon.

Sincerely Your
Ferozuddin Feroz
Minister of Public Health
Islamic Republic of Afghanistan.
