

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

International Foundation for
Patient Blood Management

3RD INTERNATIONAL PADUA MEETING ON SEVERE BLEEDING MANAGEMENT & 1ST MULTIDISCIPLINARY PATIENT BLOOD MANAGEMENT SYMPOSIUM IN ITALY

Chair: Prof. Paolo Simioni

PADUA

February 28th - March 1st 2019

*Aula Morgagni
University Hospital of Padua*

Scientific Committee:

Andrea De Gasperi

Domenico Girelli

Alberto Grassetto

Axel Hofmann

Marco Pavesi

Marco Ranucci

Paolo Simioni

Luca Spiezia

event
organized by

www.biomed.net

SPEAKERS & CHAIRMEN

Aapro Mattia, Switzerland

Agostini Vanessa, Italy

Campello Elena, Italy

Carpinelli Luca, Italy

Castaman Giancarlo, Italy

Cillo Umberto, Italy

Collins Peter, UK

Collis Rachel, UK

De Gasperi Andrea, Italy

De Silvestro Giustina, Italy

Di Dedda Umberto, Italy

Feltracco Paolo, Italy

Fries Dietmar, Austria

Gerosa Gino, Italy

Girelli Domenico, Italy

Görlinger Klaus, Germany

Grassetto Alberto, Italy

Hofmann Axel, Switzerland

Isbister James, Australia

Lier Heiko, Germany

Liumbruno Giancarlo Maria, Italy

Maegele Marc, Germany

Meier Jens, Austria

Nardi Giuseppe, Italy

Pavesi Marco, Italy

Prisco Domenico, Italy

Ranucci Marco, Italy

Rodriguez Daniele, Italy

Saner Fuat H., Germany

Schöechl Herbert, Austria

Shander Aryeh, USA

Simioni Paolo, Italy

Spahn Donat, Switzerland

Spiezza Luca, Italy

Stanworth Simon, UK

Trentino Kevin, Australia

Tripodi Armando, Italy

Walsh Mark, USA

Zenger Christoph, Switzerland

**3rd International Padua Meeting on Severe Bleeding Management
&
1st Multidisciplinary Patient Blood Management Symposium in Italy**
Theme:
*“Improving Outcomes through Patient Blood Management -
Evidence, Economics and Medico-Legal Aspects”*

PROGRAM - Day 1 - Thursday, February 28th

08:00 Registration

Setting the Scene

Marco Pavesi, Giustina De Silvestro

08:30 Opening Address:

A new meeting format to foster multidisciplinary interaction and cooperation through PBM

Paolo Simioni

09:00 Key note lecture:

Are we treating the haemopoetic system with the same respect as every other body system?

James Isbister

09:25 Clinical and health-economic implications of poorly managed anemia

Axel Hofmann

09:50 Clinical implications of poorly managed bleeding

Marco Ranucci

10:15 The frequent fault and default of transfusion decisions

Donat Spahn

10:40 Discussion

11:00 Coffee Break

Patient Blood Management

Paolo Simioni, Axel Hofmann

11:25 Defining Patient Blood Management – What it is and what not

Aryeh Shander

11:50 Epidemiological considerations: What are the patient groups benefiting most from PBM

Vanessa Agostini

12:15 The PBM program in Italy

Giancarlo Liembruno

12:40 Ethical considerations and medico-legal implications in view of PBM outcomes

Daniele Rodriguez

13:05 Discussion

13:30 Lunch

**3rd International Padua Meeting on Severe Bleeding Management
&
1st Multidisciplinary Patient Blood Management Symposium in Italy**
Theme:
*“Improving Outcomes through Patient Blood Management -
Evidence, Economics and Medico-Legal Aspects”*

PROGRAM - Day 1 - Thursday, February 28th

PBM in Surgical Settings

Donat Spahn, Andrea De Gasperi

- 14:30 PBM as the new standard of care in elective surgery – how did we get there?
Marco Pavesi
- 14:55 PBM in urgent and emergent surgery: what to do and in what sequence
Jens Meier
- 15:20 The current evidence for surgical, anesthesiological and hemostaseological
measures in bleeding patients
Heiko Lier
- 15:45 Maintaining hemostasis and hemodynamics
Klaus Goerlinger
- 16:10 Discussion
- 16:30 Coffee Break

PBM in Medical Oncology Settings

James Isbister, Alberto Grassetto

- 17:00 Treatment options for cancer related anaemia – what does the evidence show
Domenico Girelli
- 17:25 The challenge of hemostatic balance in cancer patients - what are the
treatment options
Elena Campello
- 17:50 Management of anaemia and iron deficiency in patients with cancer: ESMO
Clinical Practice Guidelines
Matti Apro
- 18:15 Discussion

**3rd International Padua Meeting on Severe Bleeding Management
&
1st Multidisciplinary Patient Blood Management Symposium in Italy**
Theme:
*“Improving Outcomes through Patient Blood Management -
Evidence, Economics and Medico-Legal Aspects”*

PROGRAM - Day 2 - Friday, March 1st

Comprehensive approach to severe bleeding
Giuseppe Nardi, Aryeh Shander

08:30 Cardiac surgery
Marco Ranucci

08:55 Discussant
Gino Gerosa

09:10 Liver transplant/liver surgery and GI bleeding
Fuat Saner

09:35 Discussant
Umberto Cillo

09:50 Post-partum hemorrhage
Peter Collins

10:15 Discussant
Rachel Collis

10:30 Massive trauma
Herbert Schöehl

10:55 Discussant
Dietmar Fries

11:10 General Discussion

11:30 Coffee Break

Challenges and Controversies
Paolo Feltracco, Armando Tripodi

11:50 Evidence for the use of procoagulant haemostatic factors in severe bleeding
Simon Stanworth

12:15 Time equals life in severe bleeding: the advantage of POC management
Dietmar Fries

12:40 The latest evidence on prophylactic plasma and platelet use
Marc Maegele

13:05 Discussion

13:30 Lunch

**3rd International Padua Meeting on Severe Bleeding Management
&
1st Multidisciplinary Patient Blood Management Symposium in Italy**
Theme:
***“Improving Outcomes through Patient Blood Management -
Evidence, Economics and Medico-Legal Aspects”***

PROGRAM - Day 2 - Friday, March 1st

Patient Centeredness

Donat Spahn, Mark Walsh

- 14.30 PBM as a public health issue
Kevin Trentino
- 14:55 PBM: What are the specific messages for patients, physicians, providers,
payers and public health authorities
Axel Hofmann
- 15:20 What hospital administrators want: Improved outcomes and reduced cost
through comprehensive PBM
Luca Carpinelli
- 15:45 From paternalism to uninformed consent to informed consent
Christoph Zenger
- 16:10 Discussion

Future aspects of PBM

Marco Ranucci, Domenico Prisco

- 16:30 New frontiers in the management of inherited bleeding disorders
Giancarlo Castaman
- 16:55 New technologies and approaches to optimize tissue oxygenation
Umberto Di Dedda
- 17:20 New frontiers in coagulation management
Aryeh Shander
- 17:55 General Discussion
- 18:15 Concluding comments and farewell
*Andrea De Gasperi, Domenico Girelli, Alberto Grassetto, Axel Hofmann,
Marco Pavesi, Marco Ranucci, Paolo Simioni, Luca Spiezia*

GENERAL INFORMATION

REGISTRATION FEE - AVAILABLE ONLINE WWW.BIOMEDIA.NET

Regular Registration	€ 150,00 + IVA 22% = € 183,00
Students, Residents Registration	€ 75,00 + IVA 22% = € 91,50

REGISTRATION FREE FOR THE FIRST 100 Students, Residents Registration

Registration fee for scientific program includes:

- ▶ Entrance to plenary session, the exhibition area
- ▶ Congress information package
- ▶ Certificate of attendance
- ▶ Coffee break and working lunch vouchers

Registrations available on the Congress Website.

CANCELLATIONS

Cancellations will be accepted by the organizing secretariat strictly within 7 days before the Congress entitling the registrant to a 50% reimbursement of the fee paid. Although no reimbursements will be processed further to the cancellation deadline, registration may be turned over to another attendee, provided the name is communicated in advance to the Organizing Secretariat.

CONTINUING MEDICAL EDUCATION (ECM only for Italian participants)

In order to obtain credits, participants must attend the full educational program (90% of the meeting) and pass the final learning test available on line on the web site www.biomedica.net area MyLogin.

ECM Test will be available from 4th March to 7th March

Provider BIOMEDIA (148)

Event nr. 249501

ECM Credits: 5,4

Professional categories: Physician, Biologist, Laboratory Technicians, Pediatric nurses, Nurses, Obstetricians

OFFICIAL LANGUAGE

The official language of the Congress is English. There will be no simultaneous translation.

CERTIFICATE OF ATTENDANCE

All registered participants will receive a certificate of participation.

The certificate will not be delivered on paper but must be printed by the participant from March 1st (at the end of the congress) via the website www.biomedica.net (area My login).

For access you need username and password used at registration time.

If you don't have username and password, please write to convegni@biomedica.net asking for them.

CONGRESS VENUE
