Sex Distribution of Donors

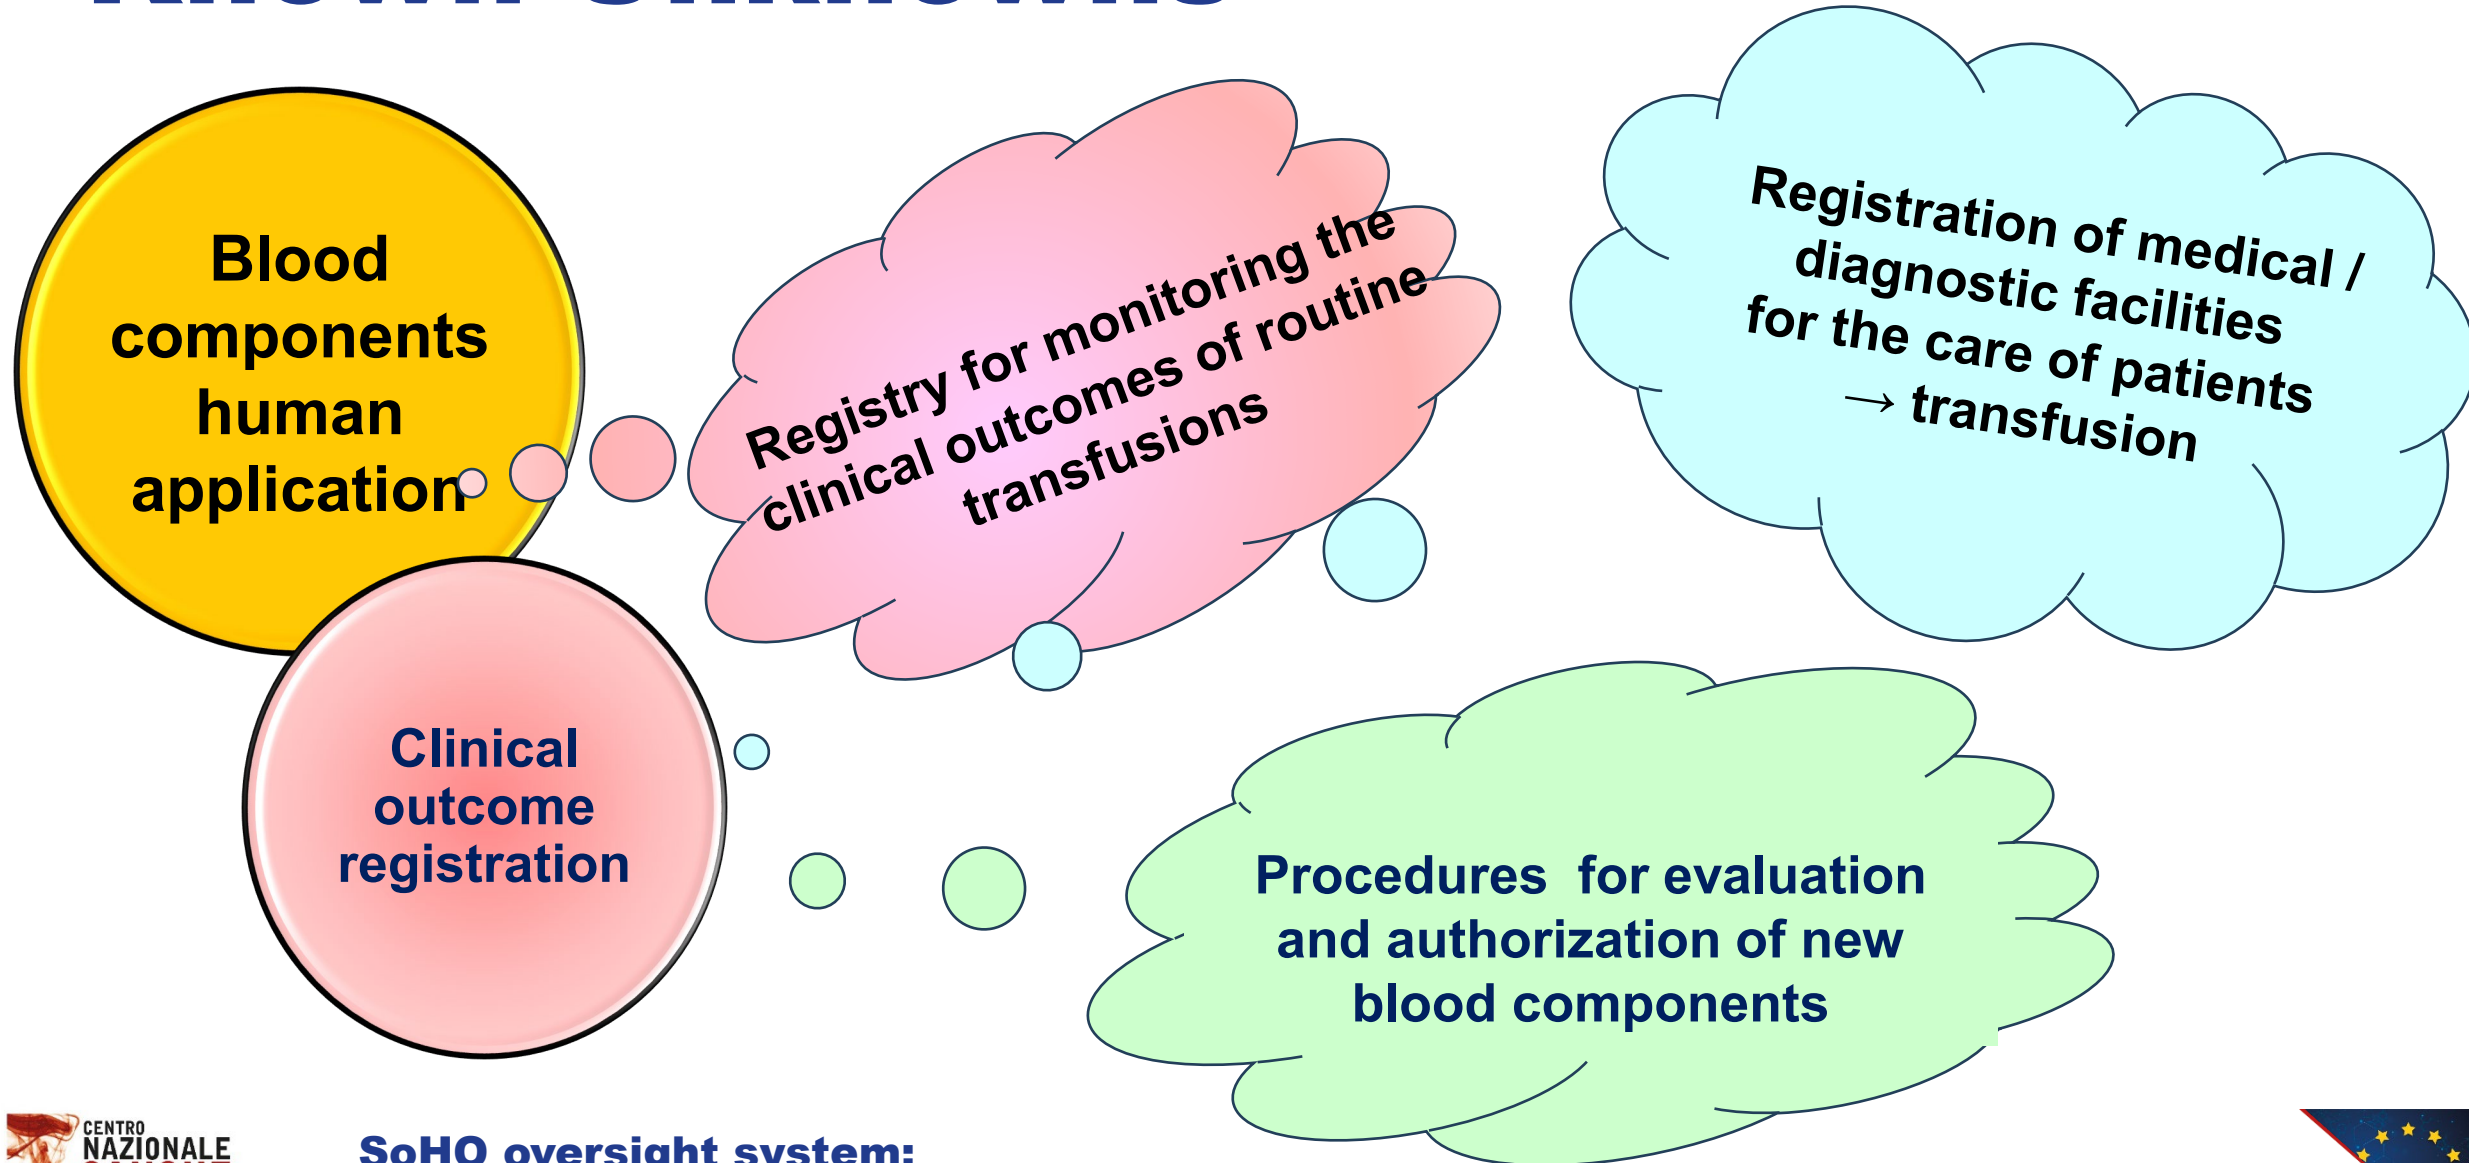

Current situation

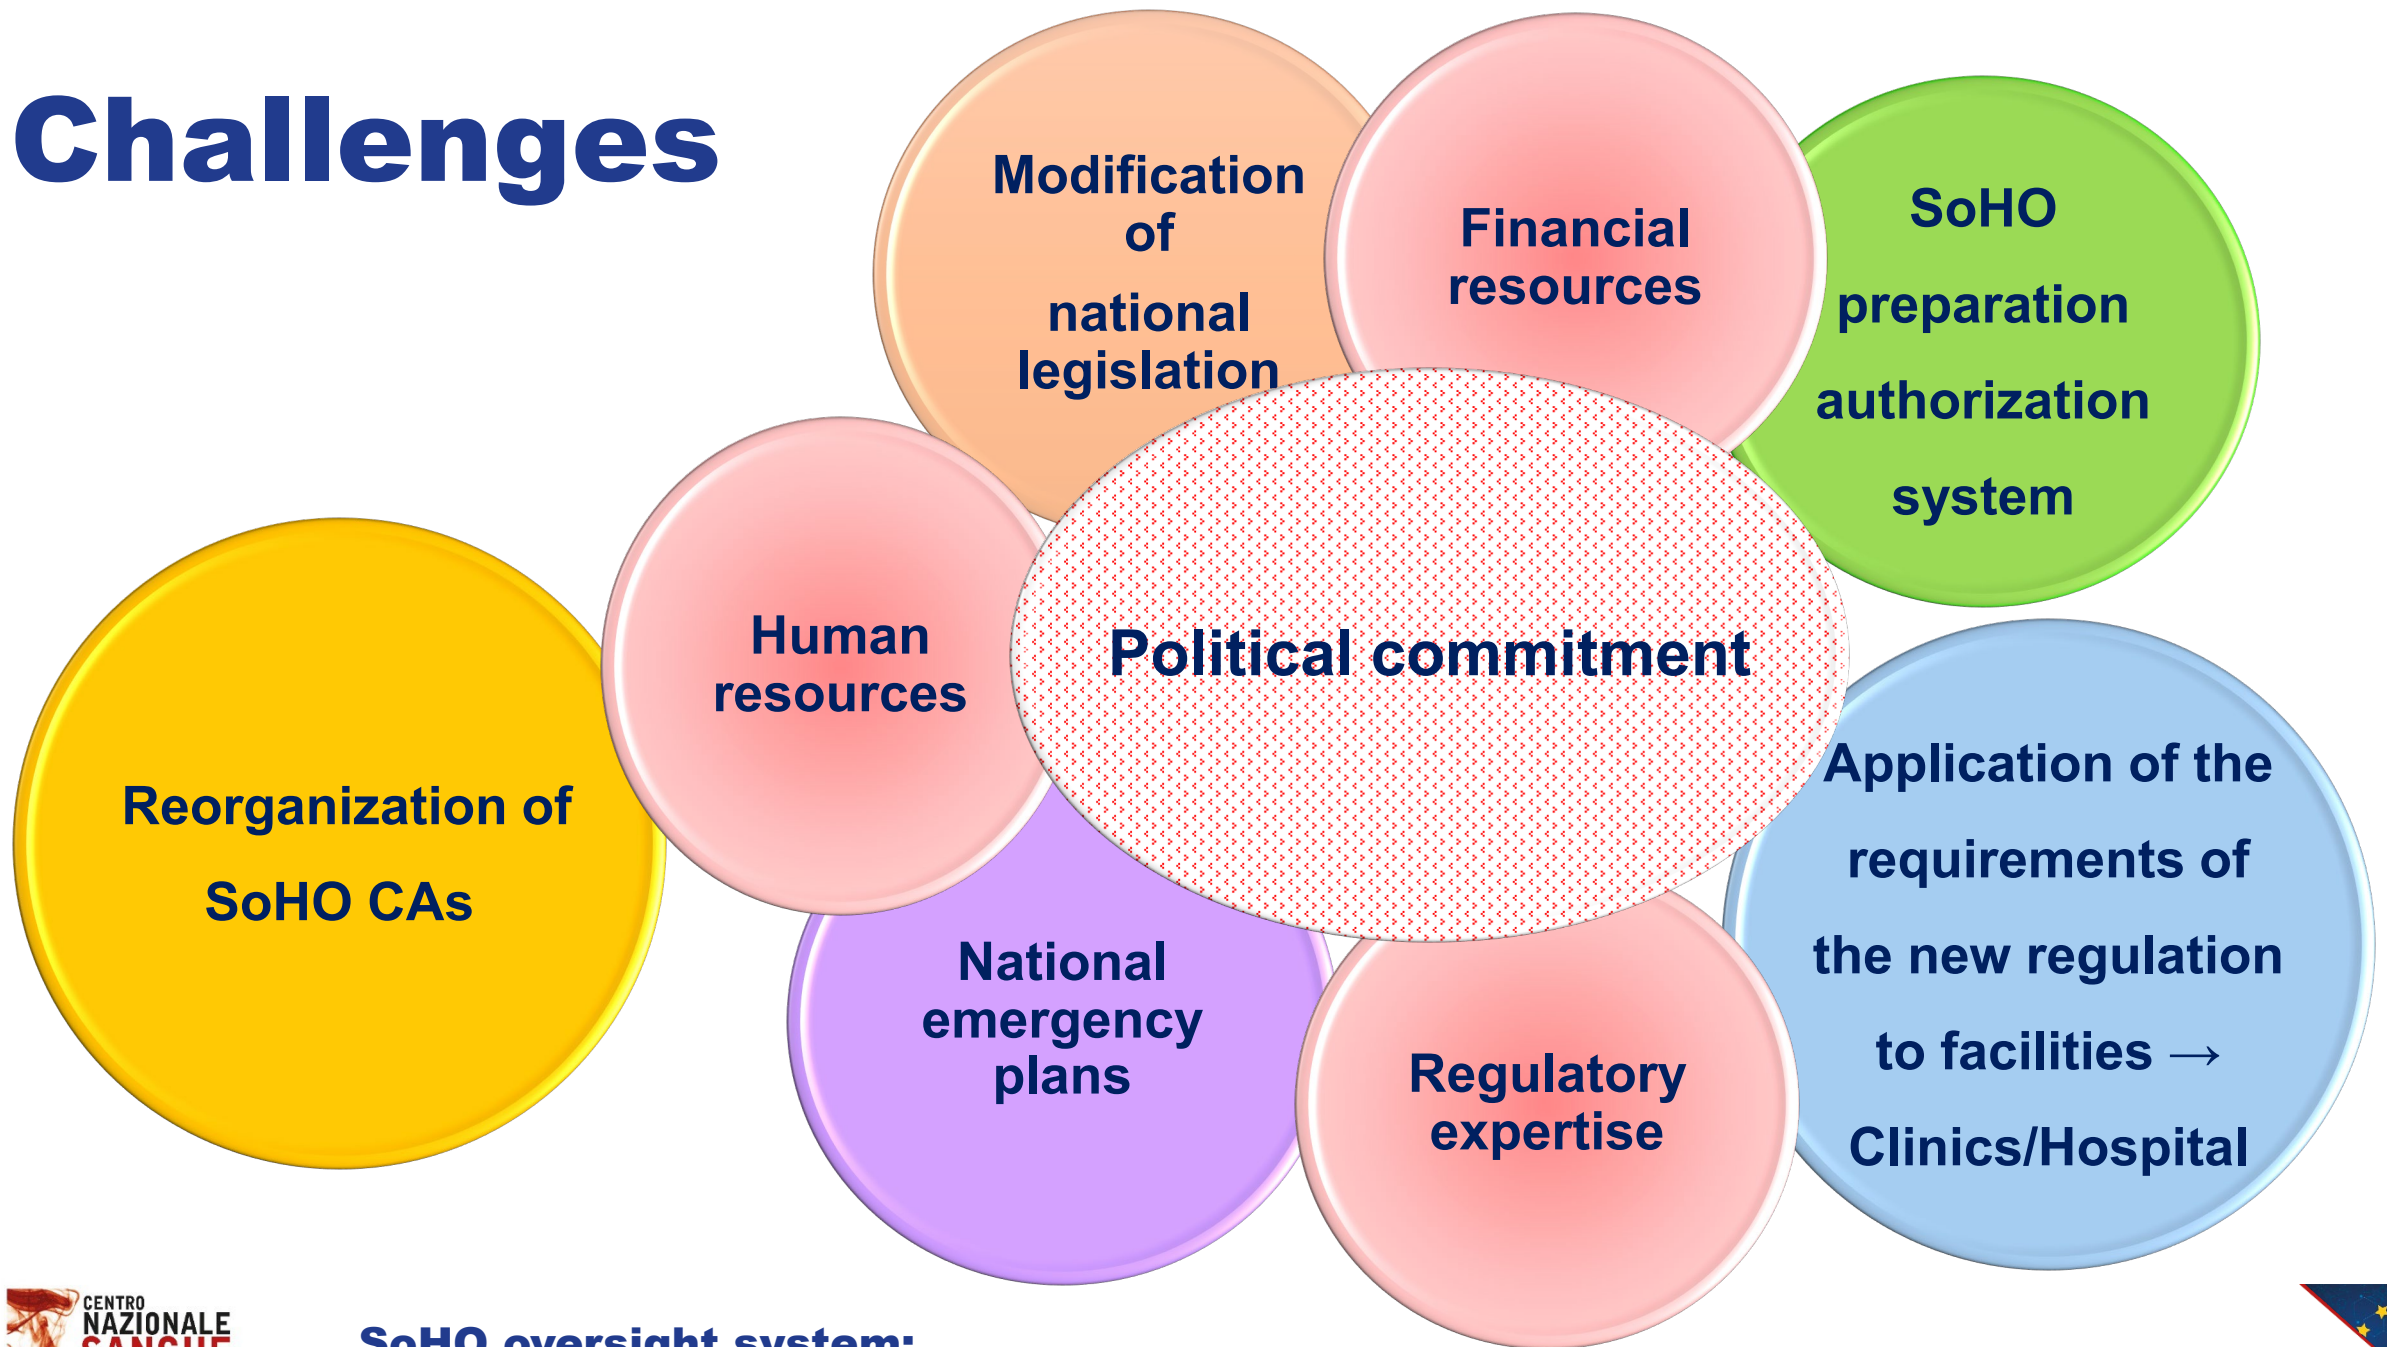

- Designation of Competent authorities based on SoHO categories
 - Hellenic National Blood Transfusion Center – E.KE.A
 - Hellenic Transplant Organization - E.O.M
 - Hellenic Authority for Medically Assisted Reproduction
- Setting up the SoHO National Authority → EOM
 - Need for Financial Human and Regulatory efforts
 - Communication and Coordination between SoHo CAs → regulation needed
 - Cooperation with authorities of other regulatory sectors → ??
- Setting up the SCB representatives
- Setting up the representatives on SCB working groups (WG):
 - WG on “Vigilance and Traceability”
 - WG on “Supply”
 - WG on “Inspections”
 - WG on Authorization and Assessment of SoHO preparations
- **No dissemination activities related to the new SoHO regulation**

Known Unknowns

Challenges

There is
a crack
in everything.
That's how
the light
gets in.

- Leonard Cohen
